

*Children's Choir – Fall 2011
Things to remember.....*

Rehearsals are important. We are learning lots of new music. Children need to attend a majority of the rehearsals in order to participate at a Sunday morning Mass.

The Blessed Sacrament is now in the church. All younger siblings must be entertained in the Family Room in the back of the church. Adults who wish to talk should do so either in the Family Room or in the Gathering Space. Please help keep the church quiet during our rehearsals. Thank you ☺.

Parents must come into the church at the end of each rehearsal to pick up their child. No child will be allowed to leave the church without an adult to escort them into the parking lot.

In accordance with "Safe Child" regulations, parents should sign up to assist at one rehearsal during the Fall Rehearsal Season (October and November).

Sick children may not attend rehearsals. If your child has been home from school sick on a Tuesday please keep them at home that evening so that they can rest and recover.

Choir members should dress in their Sunday best when we sing at mass.

No heavy sweaters or jackets. It gets hot in the choir area.

Be sure to wear comfortable shoes. We stand for very long periods of time!

Be sure your child eats a small meal before coming to church.

Children may bring a small water bottle to rehearsals. No water bottles are allowed during Mass. Food is not allowed in the church at any time.

Children should use the restroom and get a drink before coming into the choir area.

Please have a "peace sign" that you can wave to your child during Mass. The choir area is heavily microphoned for these Masses. Children are NOT allowed to leave the choir area during the sign of peace. Parents and family members are NOT allowed to enter the choir area before, during or after Mass.

Please, no photos during Mass.

Thank you for sharing your beautiful voices with our parish. A special thank you to the moms and dads who drive our singers back and forth each week for rehearsals. I'm looking forward to a music filled and prayerful fall and Christmas season.
