

JYM Handbells Winter –Spring 2012

*Ringers must be able to attend the Saturday morning rehearsals. If the handbell schedule conflicts with your child's sports, dance or scouting schedules, please reconsider whether or not this is an appropriate activity for your teen at this time. We will be preparing to play at three masses in the months ahead. We will also continue to learn more difficult pieces during the months ahead. **Please remember that the success of our handbell choir depends on the sincere commitment of each ringer.***
