

ST. ANDREW THE APOSTLE
2008-2009 Home Program Faith Development Registration
Kindergarten – High School

What is Home Program Faith Development?

The *Home Program* affords families the option to do their faith study at home with parents as the catechist. It also provides flexibility to those families whose schedules do not allow children to participate in the traditional classroom program.

Who is eligible?

Any child from Kindergarten through Grade 12 may participate.

How does it work?

Parents attend a mandatory orientation at which time a syllabus, family guide, and student books are provided. The syllabus and family guide will walk you through weekly lessons.

Mandatory Orientation Tuesday, September 9, 2008 6:30-8:00 Fellowship Hall

In order to document that the lessons have been completed, middle and high school students are given an assessment at the end of each semester. Elementary students (K-6) are required to complete chapter reviews. The assessments and chapter reviews are due at our Advent and Spring family gatherings.

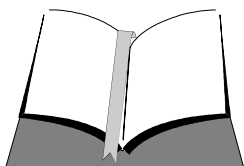

Advent Family Gathering Sunday, December 7, 2008 2:00-4:00 Fellowship Hall

Spring Family Gathering Sunday, April 19, 2009 2:00-4:00 Fellowship Hall

Will my child still be eligible for sacraments if we do the Home Program? Yes. Please note, sacramental preparation is a separate process from faith formation. Our diocese requires two years of faith formation classes before receiving First Communion and Confirmation. While families may satisfy the faith formation class requirement at home, participation in the First Sacraments workshops or the Confirmation classes is mandatory. Confirmation candidates must also complete a separate registration form.
