

What can we dream of accomplishing at St. Andrew the Apostle Church?

“Dreams are important. They keep our view broad; they help us to embrace the horizon, to cultivate hope in every daily action.”

— **Pope Francis**

Dialogue Of The Holy Father With The Young, Aug. 11, 2018

Reflecting on our potential at St. Andrew—what we could truly achieve and whether or not we’re reaching that potential—is no small matter. It gets right to the heart of who we are as a parish. Just consider a few of these goals, for example:

Can we build a house for someone experiencing homelessness?

Can we buy Brown Bag Ministry a new truck?

Can we provide our youth with a socially and spiritually fulfilling hang-out space?

Can we care for God’s creation by making environmentally friendly changes on our campus?

Can we identify needs in our community and have funds to address them immediately?

What else do you dream about doing here at our parish?

What if we could do all of these things and more? We Can and We Will if Everyone Answers the Call! Share your ideas at wewill@saintandrew.org!

His master said to him, ‘Well done, my good and faithful servant. Since you were faithful in small matters, I will give you great responsibilities. Come, share your master’s joy.’

Matthew 25:21
