

# Who will? *we will!*

## Fast Facts You Should Know

### Stewardship at St. Andrew the Apostle Catholic Church

#### Your contributions make St. Andrew run – smoothly, consistently and wisely

Inspired by our responsibility to be good stewards of what God gives us, our parish runs a tight, smart financial ship. Here's a snapshot of our projected 2020-21 expenses, as developed and approved by the Finance Committee on behalf of all parishioners:

- Staff/Clergy Expense
- Parish Ministries
- Supplies & Equipment
- Utilities/Maintenance/Ins.
- Diocesan Assessments + National Collections
- Mortgage
- Capital Expenses

## “Every little bit” matters – a lot

It's simple but important math: when everyone at St. Andrew gives a little more, it adds up fast. So find your annual income below, and then look at the weekly commitments associated with each percentage. You'd be amazed at just how much more our parish can do if every family grew its giving by at least 1-2% in 2021.

ANNUAL INCOME	WEEKLY INCREASE		
	1%	2%	5%
\$10,000	\$2	\$4	\$10
\$20,000	\$4	\$8	\$20
\$30,000	\$6	\$12	\$30
\$40,000	\$8	\$16	\$40
\$50,000	\$10	\$20	\$50
\$60,000	\$12	\$24	\$60
\$70,000	\$14	\$28	\$70
\$80,000	\$16	\$32	\$80
\$90,000	\$18	\$36	\$90
\$100,000	\$20	\$40	\$100

## And now to the bottom line . . .

Our parish plans a big increase in ministry support in the coming year (nearly doubling last year's budget, in fact). If you increased your giving by just \$10 - \$12 a month, you'd help energize the work our parishioners are doing to support neighbors in need while sacrificing just:

Two cups  
of good coffee

One dine-out  
lunch for two

One month of a  
streaming service
