ADDENDUM A

RIGHT OF INURNMENT

ST. ANDREW THE APOSTLE CATHOLIC CHURCH COLUMBARIUM

Effective August 19, 2020

If at any time after remains are inurned in the St. Andrew Columbarium, the deceased's heirs, executors or administrators decide to remove the remains for transfer to another location, there will be a \$1000.00 charge prior to the re-opening of the niche. The rights to the niche would then be forfeit.

The charge will be used to defer costs incurred by the parish for replacement granite facing and engraving of adjacent niches. The original fees for engraving and right of inurnment are not refundable after inurnment.
